

Summary of Terms and Conditions for Broadband for Surrey Hills Ltd (B4SH) Broadband Services

This contract summary provides the main elements of this service offer as required by EU law¹. It helps to make a comparison between service offers between other providers.

Complete information about the service is provided on our website at <https://b4sh.org.uk/documents> or below if you are reading this in printed form. It is important that you read the full terms of your agreement before you sign up.

Services and Equipment

B4SH provides fixed internet access with unlimited data for a fixed monthly price. We'll exercise reasonable care and skill in providing the broadband services to you. We'll do what we can to make the service available at all times and fault-free, but we can't promise that it always will be. Unfortunately, we are not able to provide services to all parts of the UK, and our services can be affected by external factors.

Full details of this can be found at paragraph 4 of the terms and conditions.

Speeds of the internet service and remedies

The normally available speed at the point of entry to the property is 920mbps upload and download. Performance within any property will vary depending on the method of connection within the property and customer equipment.

In the event of a continuous or regularly recurring discrepancy between the actual performance of our service regarding speed or other quality of service parameters specified within the Agreement and if the breach cannot be remedied within 4 weeks of us being notified in writing of the same, then you may terminate the Agreement before the minimum term expires by giving 10 days' notice in writing and you will not be liable for the charges we would otherwise charge for early termination of the contract.

What we expect of you

We want you to get the most from the broadband we provide. We do however expect you to use the broadband services responsibly and we have the ability to end the agreement if you do not adhere to the terms and conditions.

Full details of the grounds on which we can terminate the agreement can be found in paragraph 10 of the terms and conditions.

¹ Article 102(3) of Directive (EU) 2018/1972 of the European Parliament and of the Council of 11 December 2018 establishing the European Electronic Communications Code (OJ L 321, 17.12.2018, p. 36).]

Price

Subscription charges are payable to us on a recurring monthly basis, £45 for residential and micro businesses, £90 for SME's, enterprises as per quote. Customers with existing contracts up to 24 months can apply for SNOW tariff at £10 per month for months 13 to 23 and £5 per month for months 1-12 then moving to the standard tariff rates. Charges are priced inclusive of VAT. There is a one-off connection charge of £170 although it is waived for customers who apply for a Gigabit Voucher. If any amount remains overdue for more than 7 days after the date on which we notify you that an amount is overdue, then we reserve the right to suspend and/or terminate the provision of the broadband services.

You will be given the option of running any ducts that may be required to run from the edge of their premises to the point of connection or ask us to quote for the work. If you accept our quote, these costs will need to be paid separately.

Full details of the charges in relation to the broadband services are at paragraph 6 of the terms and conditions.

Duration, renewal and termination

For customers with a Gigabit Voucher, the minimum length of the contract for service is 12 months (the minimum term under the Gigabit Voucher Scheme¹), whereafter the contract renews on a monthly basis. For customers without a Gigabit Voucher, the minimum length of the contract for service is one month, whereafter the contract renews on a monthly basis. Customers can terminate the agreement by giving us at least one month's notice in writing. Your contract with us commences when your service goes live.

Full details for how to terminate the broadband service and the charges will be applicable for early termination are at paragraph 10 of the terms and conditions.

Features for end-users with disabilities

We will use all reasonable endeavours to respond to requests from end users with disabilities appropriately.

How we use your information

Our privacy policy, which forms part of your agreement, sets out our use of your personal information, including details of the parties with whom we may share your personal information.

If you are an individual customer, you have the ability to cancel your order of the broadband services at an extra charge within 7 days of the date on which we notify you of the agreed installation date.

5. What we expect of you

- 5.1. You agree that you and other people using the Services via your account will use the Services in accordance with the Terms and Conditions, and without limitation you agree that:
- 5.1.1. Except as permitted by paragraph 4.7 or unless expressly provided for under a formal contract arrangement with B4SH, you may not resell, transfer, assign or sublicense them or any part of them to any other person.
Instances where this occurs will result in immediate termination by us.

You must use the Services in a manner consistent with all applicable laws and regulations which may apply to your use of the Services.
- 5.1.4. You must ensure that any computers, systems or networks that utilise the Services are configured in such a way that does not give a third party the capability to use the Services in an illegal or inappropriate manner. You should, amongst other things, run a firewall and up-to-date antivirus software and ensure that your operating system is kept fully up to date with the latest security patches.
- 5.1.5. You must not use the Services in any way that would, in our reasonable opinion, materially affect the use of or access to the internet of any other person. This includes, but is not limited to, "denial of service" ("DOS") and "distributed denial of service" ("DDOS") attacks against another network or individual user. DOS and DDOS attacks will result in immediate termination of the Services.
- 5.1.6. Any attempt, whether successful or not, to gain access to or retrieve data from any computer system without authorisation from its maintainer or owner will lead

to immediate termination of the Services and possibly to prosecution. This applies to, amongst other things, vulnerability probes and intentional distribution of "Trojan horse" programs, viruses and worms, as well as making use of systems compromised by third parties.

- 5.1.7. Use of the Services to transmit any unsolicited commercial or unsolicited bulk email ("Spam") is expressly prohibited. We have a zero tolerance policy for Spam. The sending of Spam will result in immediate termination of the Services.
 - 5.1.8. Intentional distribution of software that attempts to and/or causes damage, harassment, or annoyance to persons, data, and/or computer systems is prohibited. This will result in immediate termination of the Services.
 - 5.1.9. Adding, removing or modifying identifying network header information in an effort to deceive or mislead is prohibited. Attempting to impersonate any person by using forged headers or other identifying information will result in termination of the Services.
 - 5.1.10. You agree to sign any agreement reasonably required by the owner of the copyright in any software which we provide to you to enable you to use the Services. Unless permitted by law, you must not modify or copy such software or any accompanying manuals and documentation or use it for any purpose other than to access the Services.
 - 5.1.11. Our Staff have your permission on reasonable notice to carry out any works on the Premises for, or in connection with, the installation, maintenance, adjustment, repair or alteration of the Services.

- 5.2. Unless a specific order expressly states otherwise, all equipment that is required to provide the broadband signal to your computer network or router will remain the ownership of B4SH. We can supply you with a suitable replacement router at cost. You should take reasonable care of the equipment and use it in accordance with any instructions, safety and security procedures applicable to the equipment. You must not remove any of B4SH's equipment and you should take reasonable care of the equipment at your property and inform B4SH if you become aware of any circumstances that put the equipment at risk.
- 5.3. You must not use the Services:
- 5.3.1. in any way that does not comply with any licences applicable to you or is unlawful or fraudulent or has any unlawful purpose or effect; or

- 5.3.4. in any way which infringes any third party's intellectual property rights; or
- 5.3.5. in a way that does not comply with these Terms and Conditions.
- 5.4. You will be responsible for any losses, expenses or other costs incurred by us that are caused by your breach of paragraphs 5.1, 5.2 and/or 5.3.
- 5.5. On all service subscriptions we operate a "fair usage" policy. Within this policy your connection can be used by you in any way that you see fit and is compliant with appropriate legislation. We do not impose download limits, although in extraordinary circumstances where download volumes are, in our opinion, excessive in comparison to the average use of the network we may speak to you about your usage with a view to establishing the best course of action.

6. Payment

- 6.1. You agree to pay us the applicable charges for the Services to which you subscribe. Such charges are as set out on the Website or as otherwise notified by us to you (the "Fees"). We reserve the right to change the Fees at any time on giving you not less than 28 days' notice. The amended Fees will apply on expiry of this 28 day period. We will not increase the Fees more than once in every 12 calendar months.
You can end the Agreement without having to pay termination charges if we increase your monthly charges by more than the Retail Price Index (RPI) annual inflation rate at the date we calculate the applicable price increase.
- 6.2. Once we have received your order form and service has commenced, all necessary documentation should be completed to allow this payment to be made immediately the services have been installed. - 6.6. If we suffer any charges from our bank in respect of non-payment by you we reserve the right to pass these charges on to you. We will notify you if we incur such charges as a result of your non-payment and let you have a breakdown of these.
- 6.7. You may be required to pay a reconnection charge if you wish to be reconnected following a suspension of the Services in accordance with paragraph 6.5.
- 6.8. Moving the equipment installed at the Premises cannot be conducted by anyone other than our Staff. A charge may be made if this is at your request.
